

Sunrise Institute of Technology

Frequently Asked Questions

This is a fictional FAQ document created for a student RAG project, answering common questions students ask about fees, examinations, and certificates at the fictional Sunrise Institute of Technology.

Q: How do I pay my semester fee?

A: Semester fees can be paid online through the Accounts section of the Learning Portal using net banking, debit card, or UPI. A payment receipt is generated automatically and can be downloaded from the same section at any time.

Q: What happens if I miss the fee payment deadline?

A: A late fee of two percent of the outstanding amount is charged for every week of delay beyond the published deadline. Students with fees pending for more than four weeks may have their Learning Portal access temporarily restricted until payment is completed.

Q: How can I get a bonafide certificate?

A: Bonafide certificates can be requested through the Accounts Office by submitting a request form available at the office counter or on the Learning Portal under the Certificates section. Certificates are typically issued within three working days.

Q: Can I change my elective course after registration?

A: Elective changes are permitted only during the add-drop window, which remains open for the first two weeks of the semester. Requests after this window require approval from the Head of Department and are granted only in exceptional circumstances.

Q: How do I apply for a transcript?

A: Official transcripts can be requested through the Accounts Office. A processing fee applies per copy, and transcripts are usually ready for collection or courier within five working days of the request.

Q: What should I do if I lose my identity card?

A: A lost identity card should be reported immediately to the security desk to block its use, followed by a duplicate card request through the Accounts Office along with the applicable duplicate card fee.

Q: Who do I contact for hostel-related complaints?

A: Hostel-related complaints, such as maintenance issues or roommate disputes, should first be raised with the concerned hostel warden. Unresolved issues can be escalated to the Dean of Students office.

Q: Is there a helpline for mental health support?

A: Yes, the institute provides a confidential student counselling service available on weekdays. Appointments can be booked through the Student Wellness section of the Learning Portal, and walk-in slots are also available for urgent concerns.

Q: How is the final CGPA calculated?

A: The final CGPA is calculated as a credit-weighted average of the grade points obtained in every course completed across all semesters, following the grading scheme described in the Course

Handbook.

Q: Can I take a semester off (leave of absence)?

A: Students may apply for a leave of absence for up to one academic year for documented medical, family, or personal reasons. The application must be approved by the Head of Department and the Dean of Academics before the semester begins.
